Day to day, day in, day out  
Hum drum drone zone  
To and fro and so it goes  
Hum drum drone zone

Buzz, buzzing busy bees  
Consumer dreams and mall shopping schemes  
Buzz, buzzing, oh, look at their eyes  
They're mesmerized in the drone zone, drone zone

Far up above, up and away  
Up in the ether of opal and gray  
Biding our time at the end of a line  
We're cast adrift on the doldrum shift

Buzz, buzzing is far away  
As we wait to be blown clear away  
Buzz, buzzing, we wait alone  
To make a break from the drone zone, drone zone

Far down below, row after row  
Insect life in a healthy cancer glow  
Manicured lawns stretch to a yawn  
Hum drum drone zone

Buzz, buzzing busy bees  
Buzz, buzzing in the breeze  
Buzz, buzzing all alone  
To and fro in the drone zone, drone zone  
Drone zone, drone zone

Drone zone
