I'm in love
With the idea of you
In rush reality
Hard to face this deception
This human
Frailty

You're in love
With the idea of me
In rush reality
Things aren't quite
What they seem to be
Cursed human
Vanity

Oh what a lie

Heaven
Heaven and alchemy
Heaven
Heaven and alchemy
I would catch a star
If you asked me to
But I can't seem to find one
To hold on to

I'm in love
With intimacy
In rush reality
Driven by the chemistry
Searching for a affinity

Oh what a lie

Heaven
Heaven and alchemy
Heaven
Heaven and alchemy
I would catch a star
If you asked me to
But I can't seem to find one
To hold on to

Heaven
Heaven and alchemy
Heaven
Heaven and alchemy
