Like a panther on the prowl
Hear me purr, hear me growl
I was fearless, fearless
I'm wearing my slinky boots
I'm wearing that kookie mood
Now they seem to fit less

What am I gonna do?
How do I face the truth?
Loveless, loveless
What am I gonna do?
Now that I know the truth
It's loveless, loveless

I know what's good for me
I know what's bad for me
All that sweetness, covered falseness
It's a sick and twisted game
To and fro and back again
Could I see it? Did I hear it?

Maybe I should love less
Maybe I should trust less
I don't love this loveless
What am I gonna do?
Now that I know the truth?
Loveless, loveless

I remember everything
I can still recall the pain
I was left there for dead
Can't play this game again
To and fro and back again
It's senseless, I'm doubtless

What am I gonna do?
How could you be so cruel?
Loveless, loveless
What am I gonna do?
How do I face the truth?
It's loveless, loveless

What am I gonna do?
Now that I know the truth?

Oh, what am I gonna do?
How could you be so cruel?
