Gotta know - I gotta know
How far below - can you go?
Double zero - double 0 - 0 - 0
Less then zero
Double 0

One mile below - One mile below
One mile below

Tell me when - Tell me when
Is it time to ascend to the top?
When it get so low
Only one way to go
Up up up up to the top

One mile above - One mile above
One mile above

Up up up up - Double up up up up
Up up up To the top
Up up up up - Double up up up up
Up up up To the top

You and I know - You and I know
Sometimes you loose
When you win
Double zero - double 0 - 0 - 0
Sometimes you win
When you loose

One mile below - One mile below
One mile below

Up up up up - Double up up up up
Up up up up - Double up up up up
Up up up up - Double up up up up
Up up up To the top
