It happens every time,
Your giving me the sign,
We start to get it on but then you ditch me,
You know I've had it up to here,
You need to be more clear,
Cause your the one that left me here so take me.

CHORUS:

Cause you said that you would
But then you changed your mind
How could you do this to me
It's just so unkind.
And it's cruel if you say
That you'll go all the way
I can't wait for the day that
You don't change your miiiiiiiiiiind.
You gotta understand,
Things are getting out of hand,
You can't just leave me sitting here unseen to,
You know I don't know what to do,
Or how long to wait for you,
You said you needed time so I won't rush you.

CHORUS

I'll never let you down,
I'll always be around,
When, you need someone,
To catch you when you fall down,
I'm waiting here for you,
If you decide you want to.
If you want me to stay.
Then I'm only a phonecall away.
Cause you said that you would,
But then you changed your mind,
How could you do this to me,
It's just so unkind.
And it's cruel if you say
That you'll go all the way
I can't wait for the day that
you don't change.
And it's cruel if you say
That you'll go al the way
I can't wait for the day that
You don't change your miiiiiiiiiiiiiiiiind,
That you don't change your mind.
