Oh, the air was shining  
Shining like a wedding ring  
Barbed like sex, I felt 10,000 volts  
My chest was full of eels  
Pushing through my usual skin

I opened up new wounds  
Pouting, shouting

Oh love-like liquid falling  
Falling in cascades  
Oh love-lorn victims  
Laughing in cascades

The sun was rich  
Rich with a song of sin  
My breath melted my words  
Into strange alphabets

Tormenting my tongue  
Oh pouting, shouting

Oh love-like liquid falling  
Falling in cascades  
Oh love-lorn victims  
Laughing in cascades

The heartbeats were echoing  
Echoing the revolver  
Emptying into my mouth  
I pulled a face from my pocket  
And smiled a leper's grin

I felt somebody close  
Oh, pouting, shouting

Oh love-like liquid falling  
Falling in cascades  
Oh love-lorn victims  
Laughing in cascades

Oh love-like liquid falling

Falling in cascades  
Oh love-lorn victims  
Laughing in cascades

Oh love-like liquid falling  
Falling in cascades  
Oh love-lorn victims  
Laughing in cascades

Oh love-like liquid falling  
Falling, falling in cascades  
Oh love-lorn victims  
Laughing, laughing in cascades

In cascades  
In cascades  
In cascades
