She tries not to shatter, kaleidoscope style  
Personality changes behind her red smile  
Every new problem brings a stranger inside  
Helplessly forcing one more new disguise

Christine, the strawberry girl  
Christine, banana split lady  
Christine, the strawberry girl  
Christine, banana split lady

Singing sweet savages lost in our world  
This big eyed girl sees her faces unfurl  
Now's shes in purple now's shes the turtle  
Distintegrating

Christine, the strawberry girl  
Christine, banana split lady  
Christine, the strawberry girl  
Christine sees her faces unfurl

Now's shes in purple  
Now's she the turtle  
Disintegrating  
Christine, Christine

Christine, the strawberry girl  
Christine, banana split lady  
Christine, the strawberry girl  
Christine sees her faces unfurl

Christine, Christine, Christine  
Christine turn into faces  
Disintegrating  
Christine, Christine  
Disintegrating
