I get feeling, I'm not alone  
I get feeling, it's someone I don't know

Do you ever have strange sensation  
When you're standing mighty tall  
To jump from seventeen floors  
And crash into free fall?

But then fear, fear, fear takes control  
Fear, fear, fear of the unknown

Imagine two complete strangers  
Who suspect they were meant to be  
Both in need of love and affection  
Yet their suspicions prevent something heavenly

Fear, fear, fear takes control  
Fear, fear, fear of the unknown

Aware of what will hurt you  
You're prepared to remain this way  
So sad yet safe with your afflictions  
Afraid to start a brand new day

We all get the strangest feeling  
When we're standing mighty tall  
To jump from seventeen floors  
And crash into free fall

But then fear, fear, fear carries all  
Fear, fear, fear of the unknown  
Fear, fear, fear takes its toll  
Fear, fear, fear of the unknown

Aware of what will hurt you  
You're prepared to remain this way  
So sad yet safe with your afflictions  
Afraid to start a brand new day
