The bursting balloon cocktails are soon
young glands young flesh invade the room a sardonic
mood ughh...

watch the rich fatty eating raw fish with avid curiosity

oh piggy squeals and donkey brays-at a sober party
doggy barks and horsey neighs-try to shock the party

impaled on pleasure impaled on a spear impaled with
danger impaled with fear

a disfigured dismembered sex with a third world cast
young glands young flesh the beating heart

oh piggy squeals and donkey brays-at a sober party
doggy barks and horsey neighs-try to shock the party
the bursting balloons cocktails are soon young glands
young flesh penetrate the room they fall on the camera
lens against the tumble dry screen on the edit room
floor lies a messier scene

oh piggy squeals and donkey brays-at a sober party
doggy barks and horsey neighs-try to shock the party
