The night is still  
And the frost it bites my face  
I wear my silence like a mask  
And murmur like a ghost  
"Trick or Treat"  
"Trick or Treat"  
The bitter and the sweet  
The carefree days  
Are distant now  
I wear my memories like a shroud  
I try but words collapse  
Echoing  
"Trick or Treat"  
"Trick or Treat"  
The bitter and the sweet  
I wander through your sadness

Gazing at you with scorpion eyes  
Halloween ... Halloween  
A sweet reminder  
In the ice-blue nursery  
Of a childish murder  
Of hidden lustre  
And she cries  
"Trick or Treat"  
"Trick or Treat"  
The bitter and the sweet  
I wander through your sadness  
Gazing at you with scorpion eyes  
Halloween ... Halloween
