Send me forwards, say my feelings  
But all the signals, send me reeling  
Jigsaw feeling

One day I'm feeling total  
The next I'm split in two  
My eyes are doing somersaults  
Staring at my shoe

My brain is out of my hand  
There's nothing to prevent  
The impulse is quite meaningless  
In a cerebral non-event

Send me forwards, say my feelings  
But all the signals, send me reeling  
Jigsaw feeling

Five fingers do my walking  
Ten toes unravel knots  
Amorphous jigsaw pieces  
Falling into slots

Send me forwards, say my feelings  
But all the signals, send me reeling  
Jigsaw feeling

So I just sit in reverie  
Getting on my nerves  
The intangible bonds that keep me

Sitting on the verge  
Of a breakdown  
Of a reaction  
Of a result

Defeat me, complete me, maybe  
Defeat me, defeat me  
Jigsaw feeling, defeat me
