

Siouxsie And The Banshees "Red Light"

She falls into frame with a professional pout
But the Polaroids ignite upon seeing their subject
And the aperture shuts, too much exposure

Voyeur sucks into focus, floodlit the glossy kiss pit
But as emulsion drips down, down
The aperture shuts, too much exposure

Come into this room, come into this gloom
See the red light rinsing, another shutterslut wincing

The sagging half wit sister, pretty, pretty picture
Of an ancient nipple shrinking, that Kodakwhore
winking
Till the aperture shuts, too much exposure

Come into this room, come into this gloom
See the red light rinsing, another shutterslut wincing

See the red light rinsing
When you see the red light rinsing, rinsing, rinsing
