When she was sensitive, she understood me
Well, she understood you and me and things in 1943
She does all these things that I can't stand
I get jealous when she stays with another man

She cracked
I'm sad, but I won't
She cracked
I'm hurt, you're right

Well, she cracked, I won't
She did things that I don't
She, self-destructed, necessary to self-enjoy
I, self-developed, necessary to self-help

And She cracked
I'm sad, but I won't
She cracked
I'm hurt, but all right

Well, she cracked, I won't
She did things that I don't
She, eat garbage
Eat shit and get stoned
I, stay alone
Eating health food at home

She cracked
I'm sad, but I won't
She cracked
I'm hurt, but all right

And She cracked
I'm sad, but I won't
She cracked
I'm hurt, but all right

And She cracked
I'm sad, but I won't
She cracked
I'm hurt, but all right
