

Siouxsie And The Banshees "So Unreal"

What can I do - I know they've gotten to you
When you say that your whites
have an aerial blue
What's happened to you - since I last say you
I thought I knew your name - but it's not you
but it's not you

You're talking in a balloon
in this tidy room
sounding like a commercial
for a serial
I wish you could feel the way that I feel
I wish you could feel but your so unreal
your so unreal

What can I say - what can I say
all the traits you had have all gone away
get up and wash at the right time of day
and greet the world with the right thing to say

You're so ideal - you're never down at heel
you're so ideal - but you're so unreal
I wish you could feel - the way that I feel
I wish you could feel - but you're so unreal
you're so unreal
