Deep in the heart
Of a seething beast
Think of bright lights
A splendid feast
But something's missing
She's feeling low
Something's missing
She's going home

Take me back -- I'm feeling low
Take me back -- I'm going home
Take me back -- I'm so alone
Take me back I'm travelling home

Suspicious stranger
There's something wrong
She is changed
Ah but this is not

She is back
But she's not home
She is back
But she's still alone
She came back after all this time
She came back to warning signs
All is black when the lights are on
Nothing rhymes it's been so long

Deep in the heart
Of a seething beast
Think of bright lights
A splendid feast
Where you arrive
Can be home
Where you come from
Isn't always home

Take me back -- I'm coming home
Take me back -- where I belong
Take me back I'm leaving home
Take me back I'm coming home
