

Siouxsie And The Banshees "The Staircase (Mystery)"

Visit "[The Staircase \(Mystery\)](#)" on MotoLyrics.com

Staircase lying face up
Stare cat sat on the mat
Looking down, looking down

Slide down the banister
Take the escalator
Slide down the banister
Or try the elevator

I was standing on the landing
Now I'm standing in the hall
Looking up, up, up, up

Won't someone assist me
Solve this mystery
Somebody assist me
Arrange the symmetry

Muffled footsteps on the carpet
Spiral steps start spinning
Around me

Which floor, which ceiling
You're off balance
Which floor, which ceiling
It's all upside down

Staircase lying face up
Stare cat sat on the mat
Looking down, looking down, down
