(Freddie Perren, Kenneth St. Lewis)

Ain't no doubt about it  
I'm in love with you  
Ain't no doubt about it  
You love me, too  
Ain't no doubt about it  
If our love keeps growing this way  
We'll be okay  
We'll have it made in the shade

Boy, if I ever made you cry  
Oh baby (oh baby)  
I beg your pardon in front of the fellas  
(Yes, I would)  
I run and get a weeping willow  
(Yes, I would)  
And let it weep for you  
(Yes, I would)  
I put a lucky charm beneath your pillow  
But ain't nothing I won't do  
Baby, just to prove

That ain't no doubt about it  
I'm in love with you  
Ain't no doubt about it  
You love me, too  
Ain't no doubt about it  
If our love keeps growing this way  
We'll be okay  
We'll have it made in the shade

Girl, if I thought that you weren't satisfied  
Oh baby (oh baby)  
Then baby, this is what I do  
(Yes, I would)  
I'll swim down to the ocean floor  
(Yes, I would)  
To get you the biggest pearl in the world  
(Yes, I would)  
I'll walk across the desert sand

I'll throw a coin over mighty waters  
Just to prove I'm a gentleman

(Ain't no doubt about it)  
(Ain't no doubt about it)

(We'll be together like Jack and Jill)  
When we get older,  
Our love goes over the hill, baby  
I'll always love you, love you, love you  
Baby, I swear  
I ain't never, never, never, never  
Never going nowhere

Ain't no doubt about it (ain't no doubt about it)  
I'm in love with you (I'm in love with you)  
Ain't no doubt about it (ain't no doubt about it)  
You love me, too (you love me, too)  
Ain't no doubt about it (ain't no doubt about it)  
I'm in love with you (I'm in love with you)  
Ain't no doubt about it (ain't no doubt about it)  
You love me, too (you love me, too)  
Ain't no doubt about it (ain't no doubt about it)  
I'm in love with you (I'm in love with you)
