Showdown, disco showdown

Tonight is the night for all to see
Who the disco kid is really gonna be
You see fellas sweep the floor up with just like a broom
So everybody, stand back and give us room
And we'll see
Who the winner's gonna be
Yeah, gonna be me
Get ready

Having a disco showdown tonight
Showdown

I've been to every disco take
And they say I turn them out
Competition, baby, is what I'm all about
Any dance steps make you know
I can do it
You're stepping on my toes
So let's get to it
That we'll see
Who the winner's gonna be, ha, ha!
Yeah, gonna be me
Get ready

Having a disco showdown tonight
Showdown

Showdown, disco showdown
Showdown, disco showdown
Showdown, disco showdown

Having a disco showdown tonight
Having a disco showdown tonight

And we'll see
Who the winner's gonna be
Yeah, gonna be me

Get ready

Having a disco showdown tonight
Having a disco showdown tonight

Showdown
Having a disco showdown tonight
Showdown
Having a disco showdown tonight
