(Shirley Sylvers)

I know that you need love  
But not the kind you might be tinkling of  
Yesterday he proposed to you  
And now today you gonna work to do  
We've been friends for quite some time  
So if you wanna rap, feel free  
And if you're so unsure of what to do,  
Baby, that's meant to be

Don't give up the good life  
You know that you're much too young  
To be tied the one, yeah  
Don't give up the good life  
Hey hey, you've got so many things to offer

You've got the chance to meet this world  
(Ooh ooh ooh ooh)  
But never forget your grass roots, girl  
(Ooh ooh ooh ooh)  
I'm giving you good advice, girl  
Live your life, but live it free  
He's not the only one  
There's many, many fish in the sea

Don't give up the good life  
'Cause you've got so many things to offer  
Don't give up the good life  
And you know that you're much too young  
To be tied the one, yeah  
Don't give up the good life  
No sugar, don't give up the good life  
Don't give up the good life  
No sugar, you don't need to be no wife

Hey girl (hey girl, hey girl, hey girl)  
If you need advice, I truly advise  
Don't rush this thing  
And hey girl (hey girl, hey girl)  
If you need a friend, you can count on me

I'm almost free  
Ooh ooh, you need to be alone  
Ooh ooh, to live a life of your own

Don't give up the good life, no oh  
(Don't give up the good life)  
Don't give up the good life, no  
(Don't give up the good life)  
No sugar, don't give up the good life  
(Don't give up the good life)  
No sugar, you don't need to be your wife  
(Don't give up the good life)  
Whoa oh, you've got so much to do  
I'm telling you  
(Don't give up the good life)  
And you've got so much to see  
You better believe  
(Don't give up the good life)  
No sugar, don't give up the good life  
(Don't give up the good life)  
No sugar, you don't need to be no wife  
(Don't give up the good life)  
Whoa oh, you've got so much to do  
I'm telling you  
(Don't give up the good life)  
And you've got so much to see  
You better believe me  
(Don't give up the good life)
