Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh

Just as long as flowers bloom
You can forget your lonely room
Until the mountains turn to sand
Girl, you can always take my hand
Until the oceans dry right up
Girl, I will never get enough
And if my words aren't all too clear,
Just let me whisper in your ear

Forever yours, forever yours
Now I'm yours
Forever yours
Ooh ooh ooh ooh ooh

Just as sure as man and wife
With you I share my only life
As long as day should follow night
Girl, you can call me Mr. Right
Until the day love fades away
I want you to know I'm here to stay
And to reassure you that my love won't rest,
These are the words that I know best

Forever yours, forever yours
Now I'm yours
Forever yours

Forever yours, forever yours
Now I'm yours
Forever yours
ooh ooh ooh ooh ooh

ooh ooh ooh ooh
ooh ooh ooh ooh

Forever yours, forever yours

Now I'm yours
Forever yours

Forever yours (ooh ooh ooh, I'm yours)
Now I'm yours
Forever yours

Forever yours (I don't want nobody else)
Now I'm yours (I just want you to myself)
Forever yours

Forever yours (ooh ooh ooh, I'm yours)
Now I'm yours
Forever yours (forever yours)

Forever yours
Now I'm yours
Forever yours
