(Glen Burkee/Joey Gallo/Ottis Stokes)

just when I thought it was over
just one look at you
here I go again
just when I thought it was over
I took one look at you
and here I go again

I thought after breaking up
I soon forget the way you make me feel
with all that we've been through
but now as much to my surprise
I realized that no matter what I do
I'm thinking about you

so if you got a lover, please tell him to go
'cause I just can't make it without you no more

(just when I thought it was over)
thought it was over
baby, one look at you
and here I go again
just when I thought it was over, over
baby, one look at you
(here I go again)
it never ended, sugar

ooh, your love was all I ever knew
I had to meet another girl to see
if it was truly love
I know I've made a big mistake
hope it's not too late to let you know
just how much I still love you

so if you got a lover, please tell him to go
'cause I just can't make it without you no more

(just when I thought it was over)
I thought it was over
baby, one look at you

and here I go again
(just when I thought it was over)
I thought it was o-o-over, baby
and then one look (look at you)
just one look and (here I go again)
ooh ooh hoo
thought it was over, baby

ooh ooh ooh ooh
ooh ooh ooh ooh
ooh ooh ooh ooh

so if you got a lover, please tell him to go
'cause I can't take being without you
can't make it without you, baby

(just when I thought it was over)
thought it was over, baby
one look at you
(here I go again) here I go again
(just when I thought it was over)
thought I had in me, baby
(look at you) just one look and
(here I go again)
couldn't put you out of my life, baby
and I've tried, but (here I go again)
think I'm gonna make you my wife, baby
ooh (here I go again)
