(Dana Marshall)

When you're faced with a love decision,
Let your heart draw the line
For your heart is the true judge of love
And your common sense will only confuse you

Heed my word and you'll find
Mind over matter
But love over mind
Mind over matter
But love over mind

When the time comes for love to arrive,
Let emotions inside
For your conscience will have to subside
Let your heart be your guide

Heed my word and you'll fiind
Mind over matter
But love over mind

You think that love
Is the thing to be smart for
If this is true,
Then what is your heart for?

Heed my word and you'll find
Mind over matter
But love over mind
Mind over matter
But love over mind

Mind over matter
But love over mind
Mind over matter
But love over mind

Mind over matter
But love over mind
Mind over matter

But love over mind
Mind over matter
But love over mind
