(Charmaine Sylvers/Nidra Beard)

(reach out) just reach out  
(reach out) just reach out

I know you can handle it  
you're just to be the kind of lady  
can't nothing get you down  
but girl, that broken heart  
could keep you in the dark  
when there's no telling when you'll come around  
listen, baby

[bridge:]  
I wanna feel whatever you go through  
girl, I really do  
this thing has got too much a hold on you  
all you got to do is

(reach out) just reach out  
I won't be hard to find  
(reach out) just reach out  
let me put this on your mind

can't be all by yourself  
too much a woman to be lonely  
when I can comfort you  
when the pressure's on  
and you feel the world has done you wrong  
I'll be the rope that you hang on to  
all you got to do is  
(reach out) just reach out  
ooh baby, baby, baby, reach out, oh  
(reach out) just reach out  
I'll always be around  
to bring you up when you're down  
so reach out  
(you know you need somebody too)  
(because I'm reaching out to you)  
reach out  
(reach out)

(I wanna be the one you need)  
(reach out)  
(to get you right back on your feet)  
(reaching out) reaching out  
(can't you tell I'm reaching out)  
[x2]  
[repeat bridge]  
(reach out) just reach out  
(reach out) just reach out  
(reaching out) just reaching out  
(can't you tell I'm reaching out)  
[x2]  
ooh, baby (reach out) just reach out  
(you know you need somebody too)  
(reach out) just reach out  
(because I'm reaching out to you)  
(reaching out) reach out  
(can't you tell I'm reaching out)  
[x2]  
(reach out) just reach out  
(I wanna be the one you need)  
(reach out) just reach out  
(to get you right back on your feet)  
(reach out)  
(reach out)  
(reaching out)  
(can't you tell I'm reaching out)  
[x2]  
(reach out)  
[x2]  
all you got to do is (reach out)  
(reaching out) just reaching out  
can't you tell I'm reaching out)  
[x2]  
ooh, baby (reach out) just reach out  
(you know you need somebody too)  
(reach out) just reach out  
(because I'm reaching out to you)
