If I were to write a storybook  
I would fill every page...  
With the sweet things you say  
When we're together  
Just like Romeo and Juliet when  
they first met  
What do you bet  
They could feel love will be there  
Like the love that we share  
Now and forever

You are my storybook girl  
Storybook girl...  
My every wish my every dream  
You are my storybook girl  
Storybook girl...  
My fantasy my make believe  
(make believe, make believe)

I'm your Cinderella girl when  
you take my hand  
You make me feel  
I gone strolling to wonderland  
I'm at your command  
And I'll always be

You are my storybook girl  
Storybook girl...  
My every wish my every dream  
You are my storybook girl  
Storybook girl...  
My fantasy my make believe  
(make believe, make believe)

Every minute of the day...  
Every day of every year  
Will live for storybook love

You are my storybook

girl...(aah you are my  
storybook girl)  
Storybook girl...  
My every wish my every dream  
You are my storybook girl  
Storybook girl...  
My fantasy my make believe  
You are my storybook  
girl...(aah you are my  
storybook girl)  
My every wish my every dream  
(fading)
