(Smokey Robinson)

You know that I'm swept for you baby,  
And it's time you were told.  
Yeah, I'm swept for you baby.  
Way down deep in my soul.

The first time that I saw you, you stood out from the crowd.  
Looking so good and walking so proud.  
I wanted to say as you passed my way.

You know that I'm swept for you baby, aaah yeah.  
And it's time you were told.  
Oh Oh Oh Yeah I'm swept for you baby.  
Way down deep in my soul.

I'm just like a falling leaf on a windy day  
And you're like the breeze that comes and sweeps me away.  
You're like a broom I'm like dust in the room.

Coz I'm swept for you baby, oh yeah.  
And it's time you were told.  
Ooh Ooh Ooh Ooh I'm swept for you baby  
Way down deep in my soul.

You sweep me off my feet every time that you pass me by  
Your presence in a room puts me on air.  
I don't have to see you to know when your there.

It's crazy but it's true  
Ooh, Ooh, Ooh, Ooh, I'm swept baby, baby, baby.  
And it's time you were told  
Ooh, Ooh, Ooh, Ooh I'm swept for you baby  
Way down deep in my soul.
