Do you really believe in this?  
And who are you to tell me so?  
I think I've seen it all before  
Well, that's your life, it's just not mine

You think you met the perfect man  
But I sure will destroy your plan  
I thought you were a friend of mine  
How could you turn this in this time?  
How could you turn this in this time?

Walk away  
I did the best that I could do  
I can't take anymore  
You broke my soul

Walk away  
But if I leave I won't come back  
I can't take anymore  
You made me whole

I'm not sure that I understand  
You know exactly what I mean

How stupid of me not to hear your cries  
'Cause you can't make it right this time  
You cannot make right this time

Walk away  
I did the best that I could do  
I can't take anymore  
You broke my soul

Walk away  
But if I leave I won't come back  
I can't take anymore  
You made me whole

Walk away  
I did the best that I could do  
I can't take anymore

You broke my soul

Walk away

But if I leave I won't come back

I can't take anymore

You made me whole

I can't take anymore

I can't take anymore

You made me whole
