It's been a while  
Since you left  
And I must admit  
That I've never felt so betrayed

And this time  
I've learned so much  
'Bout the two of us  
Forever we said

What we say  
It's that we do  
I need to be  
Close to you

The memories  
We'll always share  
But with tears and pain  
You left me here all alone

The way we touched  
Oh, how we cared  
And yet we failed  
You need to know

What we say  
It's that we do  
I need to be  
Close to you

I've never felt so betrayed before  
Memories filled with tears and pain  
For what we said

What we say  
It's that we do  
I need to be  
Close to you

What we say  
It's that we do

I need to be  
Close to you
