Sleep in the fire, in thorns and decay  
Dreams and desires, they have all been a waste  
I'm getting closer, so close to awake  
So close to what life's been, yet still so far away

Dancing through days  
Where the pain ascend in a thousand ways  
Dancing through nights  
Where the darkness strikes me from inside

Dancing through life  
Where its strife enshrines on my desires  
Dancing through death  
A dance with the devil and a flirt with the dead

Leaving the fire, abandon the flames  
Lost in denial, all your life's been in vain  
Life growing colder, it's closing in on you  
I know you're going down but there's no more I can do

Dancing through days  
Where the pain ascend in a thousand ways  
Dancing through nights  
Where the darkness strikes me from inside

Dancing through life  
Where its strife enshrines on my desires  
Dancing through death  
A dance with the devil and a flirt with the dead

Calm me down to the sound of my insanity  
Voices screaming, astral dreaming  
A mental symphony

Dancing through days  
Where the pain ascend in a thousand ways  
Dancing through nights  
Where the darkness strikes me from inside

Dancing through life  
Where its strife enshrines on my desires  
Dancing through death

A dance with the devil and a flirt with the dead
