Sail away, my little sister  
Sail away to the other side

There's a light and a darkened road  
There's a night and a fading hope  
There was a dream that once was mine  
But now it seems it has passed with time

Sail away, my little sister  
Sail away to the other side  
Sail away, my little sister  
Sail away far into the night  
Where time seems much better  
Than this void called life

There's a voice inside my head  
There's a hope, now long since dead  
It's all a wonder, will I abide?  
I hear you calling from the other side  
I hear you calling from the other side

Sail away, my little sister  
Sail away to the other side  
Sail away, my little sister  
Sail away far into the night  
Where times seems much better  
Than this void called life

I hear you calling from the other side

Sail away, my little sister  
Sail away to the other side  
Sail away, my little sister  
Sail away far into the night  
Where time seems much better  
Than this void called life
