Life brings nothing for the same  
Keep searchin' new days on the horizon  
While time just seems to slip away  
I'm leaving no trace along the way

Chorus

Seems like I'm falling deeper  
Deeper inside myself  
Feels like I'm growing weaker  
Much weaker each day  
Along the path to decay

The lights are fading day by day  
No cure for the lost, there's no ascending  
When life could not become more pale  
A new dawn is here, another day

Chorus

Seems like I'm falling deeper  
Deeper inside myself  
Feels like I'm growing weaker  
Much weaker each day  
Along the path to decay

guitar solo

Chorus

Seems like I'm falling deeper  
Deeper inside myself  
Feels like I'm growing weaker  
Much weaker each day  
Along the path to decay
