All the mornings and late nights  
You know I still treat you right  
Long days and Iâ€™m hard at work  
But you know I put you first  
Hold your body close to me

Donâ€™t worry no one can see  
Donâ€™t worry no one can see  
Your head on my pillow next to mine  
Thereâ€™s never enough time  
To let you know that Iâ€™m all yours, forever

[Chorus]

Here, when you call my name Iâ€™m on your  
I can make it all alright  
Even when I know when you go  
Iâ€™ll get you anytime you like,  
I, I, I, Iâ€™m taking you to my life  
I, I, I give all I

Not a secret, they all know  
My love for you Iâ€™ll show  
And I donâ€™t care what they have to say  
In my arms you will remain  
In my arms you will remain

[Chorus]

Here, when you call my name Iâ€™m on your  
I can make it all alright  
Even when I know when you go  
Iâ€™ll get you anytime you like,  
I, I, I, Iâ€™m taking you to my life  
I, I, I give all I

I knew it was true, knew what I had to do  
You were the one, nothing else could be done  
I knew it was true, knew what I had to do  
You were the one, nothing else could be done

[Chorus] x 2

Here, when you call my name Iâ€™m on your

I can make it all alright  
Even when I know when you go  
Iâ€™ll get you anytime you like,  
I, I, I, Iâ€™m taking you to my life  
I, I, I give all I
