Follow me into the night,  
Close your eyes and see,  
Let us fly so far away  
I'll take you on this dream with me,

This is my melody!

And I won't let you go  
I won't let you fall  
There's something that I can feel,  
This is my melody!  
And I won't let you go  
I won't let you fall  
There's something that I can feel,  
This is my melody!

I will lead you through the night  
Come with me, you'll see,  
In this place so far away  
Just let go and dream with me

This is my melody!

And I won't let you go  
I won't let you fall  
There's something that I can feel,  
This is my melody!

This is my melody!

And I won't let you go  
I won't let you fall  
There's something that I can feel,  
This is my melody!  
No I won't let you go  
I won't let you fall  
There's something that you should feel,  
This is my melody!
