You made my day  
You came my way  
You heard me every time I pray  
You gave me peace  
You gave me grace  
You put a smile upon my face  
You brought the sunshine in my life  
You are the lifeline  
Since that I have found Christ  
There has been such a change in my life  
You made my day  
You came my way  
You heard me every time I pray  
You gave me peace  
You gave me grace  
You put a smile upon my face  
You brought the sunshine  
You are the lifeline  
Since that I have found Christ  
There has been such a change in my life  
You made my day

You came my way

You heard me every time I pray

You gave me peace

You gave me grace

You put a smile upon my face

You brought the sunshine

You are the lifeline

You brought the sunshine

You are the lifeline

Since that I have found Christ

There has been such a change in my life

I'm a witness that Jesus

He'll make a difference in your life

I'm a witness that Jesus

He'll make a difference in your life

'Cause amazing grace

How sweet the sound that saved a life like me!

You brought the sunshine

You are the lifeline

You brought the sunshine

You are the lifeline

Since that I have found Christ

There has been such a change in my life

I'm a witness that Jesus

He'll make a difference in your life

I'm a witness that Jesus

He'll make a difference in your life

I'm a witness that Jesus

He'll make a difference in your life

I'm a witness that Jesus

He'll make a difference in your life

Amazing grace

How sweet the sound that saved a life like me!

You made, You made my day

You came, You came my way

You made my day

Oh you you you you gave me grace

You gave me peace

When the storms were raging you set me free

You made, You made my day

You came, You came my way
