You can scrutinize my actions, you can break me into  
fractions, you can  
walk away

You can polarize my friends, destroy the letters that I  
send or you can run  
away

You can terrorize my neighbors with your Mr. Hyde  
behavior, you can drink away

You can exorcise your demons, bite and scratch and  
kick and scream, you can  
act away

And if you ever open your eyes, you won't find me  
standing in line

You can cauterize my feelings with your flaming  
tongue leave me reeling you  
can talk away

You can compromise my passion, call me fake and call  
me fashion, you can  
write away

You can rationalize a purchase with my money and say  
it's worth it

You can tear me up or tie me down and kick me on the  
ground

And if you ever open your eyes, you won't find me  
standing in line

Caroline, it's a waste of time(2x)

Don't you want me to come back Caroline?  
Don't you want me to fly back Caroline?

You can scrutinize my actions, you can break me into  
fractions, you can  
walk away

You can idolize your drum machine, say the Beatles  
suck and dis the King  
and walk away

You can finalize the ending, break the rules that you've  
been bending

You can find a brand new lover, run away and then  
discover

You can't outrun your actions, you can't get no  
satisfaction  
And if you ever open your eyes, you won't find me  
standing in line  
Caroline, it's a waste of time(3x)  
Caroline...
