Ive been chasin girls  
Ive been drinkin beer  
Ive been getting stoned right here  
Ive been hangin out  
Ive been livin large  
I just wanna know whos in charge

Well this society is pretty sad when any half-ass  
jock can make a million bucks even though all his  
brains are in his  
cock and balls go hand in gun like Kurt Cobain and  
disenfranchised youth  
If I could crash that party I could make a million bucks  
too

Ive been chasin girls  
Ive been drinkin beer  
Ive been getting stoned all year  
Ive been livin large  
Ive been hangin out  
Ive been learning how to pout

Well the economy is pretty good when any half-drunk  
lass can buy a four-wheel drive with power heated  
seats for her fat  
ass and hole go hand in pocket like Alanis Morissette  
and female angst  
If I could tap her market I could buy a four-wheel drive  
too

Ive been chasin girls  
Ive been drinkin beer  
Ive been getting stoned right here  
Ive been hangin out  
Ive been livin large  
I just wanna know whos in charge

Ive been chasin girls  
Ive been drinkin beer  
Ive been getting stoned all year  
Ive been hangin out

Ive been livin large  
I just wanna know  
Whos the idiot in charge here
