Pick me up
Are you holding man
Up all night
Please don't melt
Falling down
Bump me up
Time to hit the town

God save the Snowman
His teeth are falling out
His head is in the clouds
His nose is on the ground
God save the Snowman
His teeth are falling out

Jump my heart
Because I'm coming down
Save his life
Help him get
The carrot from his mind

~Chorous~

God save the Snowman
His teeth are falling out
His head is in the clouds
His nose is on the ground

Falling down, not being round
The flakes go up, not hit the ground
Falling down, not being around
Toast the day to winter's clone
Won't need a broom to help him now
Get it up
Lord I wish I could
Get a life
Not this time
Gotta hit the town

Chorous X2
