Ha ha I get down on the dance floor

Watch this, hey

No need young girl

Nooooo, hah c'â, -â,,çmon

You know what I do

If you can do it too

Then lets do something that makes me more attracted  
to you

And now and now

Wanna see you n now

For me (ha)

Yes, we in this private

Girl I like your body

But can you take, take, take, take, take, take, pop, lock  
and drop it

Coz I, and I wanna see you break it down

For me

Watch this

Chris Brown

Girl I'â, -â,,çve been waitin all night to see you dance

And you gonna sweat your outfit out, trying to dance
