Hey yea  
We gonna have a ripping good time  
Just hit rewind and you can see im far too crazy  
My rhythms and rhymes keep niggas in line  
Cause now is not the time to be lazy  
I'â,,çm the ringleader man a cane in my hand  
And an iced out top hat on my head  
Ain'â,,çt you tired of that wackness  
Sick of this wack sh!t  
Wouldn'â,,çt you like some of me instead

The ringleader man  
This is my circus I'â,,çm working  
I can flip this whole game with one hand  
The ringleader man  
I know its a fact that you rather  
Just have some of me instead  
The ringleader man  
The ringleader man

Heeeey

This industry is my circus  
I know that it just hurts just sit back  
And take pain like I used to  
And im trying to stop cursing but I don'â,,çt give a  
f@#k  
Im going to curse you with lyrical voodoo  
Im the ringleader man  
You cant understand the sh!t that comes out of my  
head  
But you like all that wackness  
Loving all that wack sh!t I rather just say f@#k you  
instead

The ringleader man  
This is my circus I'â,,çm working  
I can flip this whole game with one hand  
The ringleader man  
I know its a fact that you rather  
Just have some of me instead

The ringleader man  
The ringleader man
