This how it starts.
You take your shoes off in the back of my van.
Yeah my shirt looks so good,
When it's just hanging off your back.
And she said use your hands in my spare time.
We've got one thing in common; it's this, tongue of
mine, she said.
She's gotta boyfriend anyway.

It's only minutes before I drop you off,
And all we seem to do is talk about sex.
She's gotta boyfriend anyway.
She's gotta boyfriend anyway.

I love your friend and I saw his film he's gotta funny
face,
But I like that cos' he still looks cool.
She's gotta boyfriend anyway.
She's gotta boyfriend anyway.

Now we're on the bed in my room,
And I'm about to fill his shoes but you say no.
You say no.

Does he take care of you?
Well could I easily fill his shoes?
You say no.
You say no.

Now we're just outside of town,
And you're making your way down.
She's gotta boyfriend anyway.
She's gotta boyfriend anyway.

I'm not trying to stop you love.
If we're gonna do anything we might as well just fuck.
She's gotta boyfriend anyway.

Got your tongue pierced anyway.
You in your high tops any day.
You in your skinny jeans anyway.

You're with your fit friends anyway.
I'd take them all out any day.
They've all got back combs anyway.
They've all got boyfriends anyway.
