And I wanna move the town to the Clash City Rockers
You need a little jump of electrical shockers
You better leave town if you only wanna knock us
Nothing stands the pressure of the Clash City Rockers

You see the rate they come down the escalator
Now listen to the tube train accelerator
Then you realise that you got to have a purpose
Or this place is gonna knock you out sooner or later

So don't complain about your useless employment
Jack it in forever tonight
Or shut your mouth and pretend you enjoy it
Think of all the money you've got

And I wanna liquefy everybody gone dry
Or plug into the aerials that poke up in the sky
Or burn down the suburbs with the half-closed eyes
You won't succeed unless you try

So don't complain about your useless employment
Jack it in forever tonight
Or shut your mouth (shut it up) and pretend you enjoy it
Think of all the money you've got, yeah yeah

And I wanna move the town to the Clash City Rockers
You need a little jump of electrical shockers
You better leave town if you only wanna knock us
Nothing stands the pressure of the Clash City Rockers

You owe me a move, say, the bells of St. Groove
Come on and show me, say, the bells of old Bowie
When I am fitter, say, the bells of Gary Glitter
No one but you and I, say the bells of Prince Far-I
No one but you and I, say the bells of Prince Far-I

And I wanna more the town to the Clash City Rockers
You need a little jump of electrical shockers
You better leave town if you only wanna knock us
Nothing stands the pressure of the Clash City Rockers

Rock, rock Clash City Rockers
Rock, rock Clash City Rockers
Rock, rock Clash City Rockers
Rock, rock Clash City Rockers....
