When Johnny comes marching home again  
Hurah, Tudah  
He's coming by bus or underground  
Hurah, Tudah  
A woman's eye will shed a tear  
To see his face so beaten in fear  
An' it was just around the corner in the English Civil War

It was still at the stage of clubs and fists  
Hurah, Tudah  
When that well-known face got beaten to bits  
Hurah, Tudah  
Your face was blue in the light of the screen  
As we watched the speech of an animal scream  
The new party army was marching right over our heads

Alright

There you are, ha ha, I told you so  
Tudah, Hyurah  
Says everybody that we know  
Hurah, Tudah  
But who hid a radio under the stairs  
An' who got caught out on their unawares  
New party army came marching right up the stairs

When Johnny comes marching home again  
Hurah, Tudah  
Nobody understands it can happen again  
Hurah, Tudah  
The sun is shining an' the kids are shouting loud  
But you gotta know it's shining through a crack in the cloud  
And the shadows keep on falling  
When Johnny comes marching home

Alright  
Johnny  
Oka.....ay  
Johnny

All the towns go

O.... O.

O. O.....
