Well they were given the grapes that go ripe in  
the sun  
That loosen the screws at the back of the tongue  
But they told no one where they had begun-four  
horsemen

They were given all the foods of vanity  
And all the instant promises of immortality  
But they bit the dust screamin' insanity!-four  
horsemen

One was over the edge, one was over the cliff  
One was lickin' em dry with a bloody great spliff  
When they picked up the hiker he didn't want the lift  
From the horsemen

But you!  
You're not searching, are you now?  
You're not looking anyhow  
You're never gonna ride that lonely mile  
Or put yourself up on trial  
Oh, you told me how your life was so bad  
An' I agree that it does seem sad  
But that's the price that you gotta pay  
If you're lazing all around all day  
Four horsemen coming right through  
Four horsemen and they're pissing by you  
They make you look like you're wearing a truss  
Four horsemen and it's gonna be us

Well they gave us everything for bending the mind  
AND we cleaned out their pockets and we drank 'em  
blind  
It's a long way to the finish so don't get left behind  
By those horsemen

And they gave us the grapes that went ripe in the sun  
That loosen the screws at the back of the tongue  
But we still told nothing 'bout what was to come  
Four horsemen
