(Strummer/Jones)

Elevator! Going up!

In the gleaming corridors of the 51st floor

The money can be made if you really want some more

Executive decision-a clinical precision

Jumping from the windows-filled with indecision

I get good advice from the advertising world

Treat me nice says the party girl

Koke adds life where there isn't any

So freeze, man, freeze

It's the pause that refreshes in the corridors of power

When top men need a top up long before the happy  
hour

Your snakeskin suit and your alligator boot

You won't need a launderette, you can send them to  
the vet!

I get my advice from the advertising world

Treat me nice says the party girl

Koke adds life where there isn't any

So freeze, man, freeze

Koka Kola advertising and kokaine

Strolling down the Broadway in the rain

Neon light sign says it

I read it in the paper-they're crazy!

Suit your life, maybe so

In the White House-I know

All Over Berlin (they've been doing it for years)

And in Manhattan!

Coming through the door is a snub nose 44

What the barrel can't snort it can spatter on the floor

Your eyeballs feel like pinballs

And your tongue feels like a fish

You're leaping from the windows-saying don't

Ayaaaaaahhhh! \*@!!\*!!\*!!

Don't give me none of this!
