"Lover's Rock"

You must treat your lover girl right
If you wanna make Lover's Rock
You must know a place you can kiss to make Lover's
Rock

Everybody knows it's a crying shame
But nobody knows the poor baby's name
When she forgot that thing that she had, oh, to swallow

You western man, you're free with your seed
When you make Lover's rock
But whoops
There goes the strength that you need
To make real cool Lover's Rock

A genuine lover takes off his clothes
And he can make a lover in a thousand go's
And she don't need that thing that she had, oh, to
swallow
Know what I mean?

You must treat your lover girl right
If you wanna make Lover's Rock
You must know a place you can kiss to make Lover's
Rock

Everybody knows it's a crying shame
But nobody knows the poor baby's name
When she forgot that thing that she had, oh, to swallow

They call it Lover's Rock
Ridiculous ain't it?
That's what they call it
They call it Lover's Rock
They call it Lover's Rock
