Remote Control

(Strummer/Jones)

Who needs remote control

From the Civic Hall

Push a button

Activate

You gotta work an' you're late

It's so grey in London town

With a panda car crawling around

Here it comes

Eleven o'clock

Where can we go now?

Can't make a noise

Can't get no gear

Can't make no money

Can't get outta here

Big business it don't like you

It don't like the things you do

You got no money

So you got no power

They think you're useless
An' so you are - puuuuuuunnnnk!
They had a meeting in Mayfair
They got you down an'
They wanna keep you there
It makes them worried
Their bank accounts
That's all that matters
And you don't count
Can't make no progress
Can't get ahead
Can't stop the regress
Don't wanna be dead
Look out' those rules and regulations
Who needs the Parliament
Sitting making laws all day
They're all fat and old
Queuing for the House of Lords
Repression - gonna start on Tuesday
Repression - gonna be a Dalek
Repression - I am a robot
Repression - I obey
