Well, I just got back an' I wish I never leave now  
(where'd ya go?)  
Who dat Martian arrival at the airport yeah?  
(where'd ya go?)  
How many local dollars for a local anaesthetic?  
(where'd ya go?)  
The Johnny on the corner wasn't very sympathetic  
(where'd ya go?)

I went to the place where every white face is an  
invitation to robbery  
Sitting here in my safe European home  
Don't wanna go back there again.

Wasn't lucky an' wouldn't it be lovely?  
(where'd ya go?)  
Send us all cards, an' have a laying in on a Sunday  
(where'd ya go?)  
I was there for two weeks, so how come I never tell now  
(where'd ya go?)  
That Natty Dread drinks at the Sheraton Hotel now  
(where'd ya go?)

I went to the place where every white face is an  
invitation to robbery  
Sitting here in my safe European home  
Don't wanna go back there again.

They got the sun, an' they got the palm trees  
(where'd ya go?)  
They got the weed, an' they got the taxes  
(where'd ya go?)  
Whoa, The Harder They Come, an' the home of ol'  
bluebeat  
(where'd ya go?)  
I'd stay an' be a tourist but I can't take the gunplay  
(where'd ya go?)

I went to the place where every white face is an  
invitation to robbery  
Sitting here in my safe European home

Don't wanna go back there again.

Rudie come  
From Jamaica  
Cos Rudie can't fail  
Cos Rudie come  
From Jamaica  
Rudie can't fail  
Rudie come  
From Jamaica  
Cos Rudie can't fail  
Cos Rudie come  
From Jamaica  
Rudie can't fail  
Rudie, Rudie, Rudie, Rudie, Rudie  
Rudie can't fail  
Rudie, Rudie, Rudie, Rudie, Rudie  
Rudie can't fail

Cos Rudie's went there  
And Rudie's lived there  
And Rudie come back, come back now

And Rudie, Rudie, Rudie, Rudie, Rudie  
Come back, come on  
now oh now

Rudie, Rudie, Rudie, Rudie, Rudie  
Rudie can't fail

Rudie, Rudie, Rudie, Rudie  
Rudie, YOU CAN'T FAIL!

Rudie come on and Rudie come  
And Rudie can't fail

Explosive!  
(Rudie come on, Rudie, Rudie... Rudie can't fail...)  
You're day at home  
You try the fog train  
(Rudie, Rudie, Rudie, Rudie.....)  
(You're day at home, You try the fog train)  
Rudie come back  
And Rudie did  
No else wants to be this way
