Tommy gun, you ain't happy 'less you got one
Tommy gun, ain't gonna shoot the place up just for fun
Maybe he wanna die for the money
Maybe he wants to kill for his country
Whatever he wants, he's gonna get it

Tommy gun, you better strip it down for a customs run
Tommy gun, waiting in the airport 'til kingdom come
And we can watch you make it on the nine o'clock news
Standing there in Palestine lighting a fuse
Whatever you want, you're gonna get it

Tommy gun
Tommy gun

Tommy gun, you'll be dead when your war is won
Tommy gun, but did you have to gun down everyone
I can see it's kill or be killed
A nation of destiny has got to be fulfilled
Whatever you want, you're gonna get it

Tommy gun, you can be a hero in an age of none
Tommy gun, I'm cutting out your picture from page one
I'm gonna get a jacket just like yours
And give my false support to your cause
Whatever you want, you're gonna get it

Alright
Okay

So there's a street about the price
And there's a one chance of survival
Pretend with it all

Boats and tanks and planes, it's your game
Kings and queens and generals, learn your name
I see all the innocents, the human sacrifice
And if death comes so cheap, then stay up all night
