I watch the distant lights out on the runway
disappear into the evening sky.
Oh you know Iâ€™m with you on your journey,
never could say goodbye.

Itâ€™s not the place youâ€™re trying to find
something else is on your mind.
You need a little space and time to break away.
Itâ€™s not the place youâ€™re going to,
itâ€™s just a phase youâ€™re going through.
Though I canâ€™t stop you, I donâ€™t want you to

Break away, fly across your ocean.
Break away, time has come for you.
Break away, fly across your ocean.
break away, time has come...

Rise and awaken in another country,
greet the morning under foreign skies.
Leaving me to face another Monday,
itâ€™s so hard to get by...

Itâ€™s not the place youâ€™re trying find
something else is on your mind.
You need a little space and time to break away.
Itâ€™s not the place youâ€™re going to
itâ€™s just a phase youâ€™re going through.
Though I canâ€™t stop you, i donâ€™t want you to

Break away, fly across your ocean.
Break away, time has come for you.
Break away, fly across your ocean.
break away, time has come for you
Break away, fly across your ocean.
break away...etc.
