Stars shining bright above you

Night breezes seem to whisper

I love you

Birds singing in the sycamore tree

Dream a little dream of me

Say nighty night and kiss me

Just hold me tight and tell me

you miss me

While Iâ€™m alone and blue as can be

Dream a little dream of me

Starâ€™s fading but I linger on dear

still craving your kiss

Iâ€™m longing to linger till dawn dear

just saying this

Sweet dreams till some sunbeams find you

Sweet dreams that leave all worries behind you

But in your dreams whatever they be

Dream a little dream of me

Starâ€™s fading but I linger on dear

still craving your kiss

Iâ€™m longing to linger till dawn dear

Just saying this

Sweet dreams till some sunbeams find you
Sweet dreams that leave all worries far behind you

But in your dreams whatever they be

Dream a little dream of me
