Stars shining bright above you
Night breezes seem to whisper
I love you
Birds singing in the sycamore tree
Dream a little dream of me

Say nighty night and kiss me
Just hold me tight and tell me
you miss me
While Iâ€™m alone and blue as can be
Dream a little dream of me

Starâ€™s fading but I linger on dear
still craving your kiss
Iâ€™m longing to linger till dawn dear
just saying this
Sweet dreams till some sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Starâ€™s fading but I linger on dear
still craving your kiss
Iâ€™m longing to linger till dawn dear
Just saying this
Sweet dreams till some sunbeams find youv Sweet
dreams that leave all worries far behind you
But in your dreams whatever they be
Dream a little dream of me
